

FISHING CATCH GUIDE

Every fish and trash item, where to catch it, and the chance of finding it.

28 CATCHES - 18 FISH + 10 TRASH - 2 WATER TYPES

WHERE TO FISH

RIVER WATER

Water away from oceans and beaches

SEA WATER

Water at an ocean or beach

HOW THE CHANCES WORK

Every time you catch something, there is a 70% chance it is a fish and a 30% chance it is trash. The tables show the full chance for every catch.

RIVER WATER

13 CATCHES

Fish here when your hook lands in water away from oceans and beaches.

FISH		70% OF CATCHES	
ITEM		WHERE	CHANCE
 Brown Trout		River Water	15.56%
 Salmon		River Water	15.56%
 Pink Salmon		River Water	9.72%
 Catfish		River Water	5.83%
 Muskellunge		River Water	9.72%
 Bayad		River Water	3.50%
 Synodontis		River Water	5.83%
 Tropical Fish		River Water	4.28%

TRASH		30% OF CATCHES	
ITEM		WHERE	CHANCE
